

mag. Maja Čeh

V Centru Naprej je zaposlena od leta 2010 na delovnem mestu skupinske habilitatorke in vodje enote Murska Sobota. Aktivno sodeluje v projektnem delu Centra Naprej. Dodatno je usposobljena na področju nevrolingvističnega programiranja. Ima številne izkušnje na področju socialno varstvenih storitev in delu z osebami s posebnimi potrebami (odrasle osebe z motnjo v duševnem in telesnem razvoju, osebe s PMP). Je soavtorica priročnika *»Priročnik za delo z osebami s pridobljeno možgansko poškodbo«*.

Maja Čeh, MSc.

Employed in Naprej, Centre for Persons with Acquired Brain Injury (ABI), since 2010 as a group habilitator and head of unit Murska Sobota. She actively participates at project work for Centre Naprej. She is additionally trained on the field of neuro-linguistic programming, has a lot of experience on the field of social care services and work with people with special needs (adults with mental and physical disabilities, persons with ABI). She is a co-author of handbook *»Handbook for work with persons with acquired brain injury«* and other professional articles.
