

**Aron Horvath, Project Manager, Services**

Aron has a wide ranging experience in corporate communications and CSR and also in non-profit management. In CSR Europe Aron is leading the non-financial reporting and integrated performance strategic workstream. In this remit he is responsible for developing and rolling out the sustainability management maturity and integration assessment and benchmark tool. Before joining CSR Europe in August 2012, he worked as a CSR consultant and expert in Hungary, respectively for Budapest Airport and Telenor Hungary. In the non-profit field, he managed the Role Model Foundation (Telenor) and co-conceptualized and started sustainable farming and employment program in Hungary, awarded 1<sup>st</sup> prize in the '2010 Social Business Idea Contest'. Aron has a University Degree in Corporate Communications from ELTE University and Masters in International Public Policy from the Central European University.
