

Marjetka Kastner, mag. posl. ved, lastnica in direktorica Life Learning Akademije

Marjetka Kastner je projektni in kreativni vodja ter ustanoviteljica metode dela za pridobitev certifikata Learning Brand. Njena prva zaposlitev je bila na Telekom Slovenija, kjer je delovala kot vodja kadrovske službe (1983-1988). Kasneje je bila v podjetju IMP zaposlena kot računovodja na glavni knjigi, vendar je že po nekaj mesecih odprla svoje prvo podjetje v turističnem campu Dragčajna. Kasneje je odprla še nekaj podjetij, največji uspeh pa beleži pri organizaciji različnih večjih projektov. Nekatere družbe te projekte izvajajo še danes. Po 21 letih dela kot projektni vodja in je ustanovila Life Learning Academia, ki povezuje znanja in organizacije. V okviru Akademije deluje še vrsta koristnih aktivnosti, ki pomagajo mladim, da se lažje uveljavljajo na trgu dela. Najbolj prepoznaven je model Ambasadorji znanj. V ta namen je vzpostavila tudi globalno internetno stran kot portal priložnosti za različne organizacije in študente. Organizira tudi Učne campe v Sloveniji, Hrvaški, Češki, Italiji in Franciji. Je avtorica knjige/priročnika Brez zadreg (o bontonu in protokolu), piše že nadaljevanje knjige, Brez zadreg po svetu. Marjetka je članica NCDA (National career development association), članica Združenja Manager Slovenije, Članica Avstralskega poslovnega kluba in članica Instituta za družbeno odgovornost IRDO.

Marjetka Kastner, Msc. – owner and manager of Life Learning Academia

Marjetka Kastner is M.A. from Faculty for Commercial and Business Sciences Celje. She is the project and creative manager and founder of the work method for obtaining the Learning Brand certificate. Her first employment was at Telekom Slovenija, where she worked as Head of Personnel (1983-1988). Afterwards she was employed at the IMP company as a general ledger accountant; however, after a few months she started her first company at the Dragočajna tourist camp. Later on she started a few other companies, yet her biggest success is the organisation of various larger projects. Some of them are still being implemented by companies today. After 21 years of working as a project manager she founded Life Learning Academia, which connects knowledge and organisations. Within the scope of Academia a number of other useful activities are in progress, which help young people to more easily assert themselves on the labour market. For this purpose she has also set up a global internet site for various organisations and students. She is also organising Learning Camps in Slovenia, Croatia, the Czech Republic, Italy and France. She is the author of the book Brez zadreg (Without Embarrassment) about etiquette and protocol. Marjetka is the member of NCDA (National Career Development Association) from USA. In 2010 Marjetka got the certifiat for WIPO (World international Property Organization).
