

Jožef Osterc, PhD, Professor

B.A. in 1966, PhD. in 1974 at Biotechnical Faculty, University of Ljubljana, Department for animal husbandry. He worked at the agricultural cooperative Križevci near Ljutomer (1966-1969) and at Agricultural enterprise Emona Ljubljana as a cattle breeding technologist (1969-1970). In 1970-1990 he was employed at the Biotechnical Faculty, University of Ljubljana, as an assistant for stockbreeding (1970-1976), assistant professor, associate professor and full professor for cattle production (1976-1990). He was minister of Agriculture, Forestry and Food (1990-1992 and 1993-1997) in two Governments of Slovenia. In 1997-2008 he was re-employed as a full professor for cattle production at the Biotechnical Faculty, University of Ljubljana; he retired in 2008. From 1992-2005 he lectured on cattle production at the Faculty of Agriculture and Life Sciences in Maribor as well. He was a principal of Department for animal husbandry at the Biotechnical Faculty (1983-1987; 2000-2002), deputy dean (2002-2004, 2006-2008) and dean of Biotechnical Faculty, University of Ljubljana (2004-2006). He published several scientific and professional articles in Slovenian and foreign journals on cattle production and sustainable agriculture.

Prof. dr. Jožef Osterc

Diplomiral (1966) in doktoriral (1974) je na Biotehniški Fakulteti, Oddelku za živinorejo Univerze v Ljubljani. Delal je v kmetijski zadrugi Križevci pri Ljutomeru (1966 – 1969) in kot tehnolog za govedorejo na kombinatu Emona (1969 - 1970) v Ljubljani. Od 1970 – 1990 je bil zaposlen na Biotehniški fakulteti, Univerze v Ljubljani; kot asistent za živinorejo (1970 – 1976), docent, izredni profesor in redni profesor za govedorejo (1976 - 1990). Od 1990 - 1992 in od 1993 – 1997 je bil minister za kmetijstvo, gozdarstvo in prehrano v dveh vladah Republike Slovenije. Od 1997 – 2008, ko se je upokojil, je bil ponovno zaposlen kot redni profesor za govedorejo na Biotehniški fakulteti Univerze v Ljubljani. Od 1992 – 2005 je predaval govedorejo tudi na Kmetijski fakulteti v Mariboru. Od 1983 – 1987 in od 2000 – 2002 je bil predstojnik Oddelka za živinorejo Biotehniške fakultete, od 2002 – 2004 ter od 2006 – 2008 je bil prodekan in od 2004 – 2006 dekan Biotehniške fakultete, Univerze v Ljubljani. V domačih in tujih revijah je objavil številne znanstvene in strokovne članke iz področja govedoreje in sonaravnega kmetijstva.
