Povzetek: Predavanje se bo dotaknilo razvoja, predvsem pa aplikacije koncepta sodela oziroma coworking-a v Sloveniji. Rdečo nit bomo pletli s pregledom definicij koncepta, trendom povečevanja števila takšnih prostorov v Sloveniji in analizo položaja samostojno delujočega dela domačega prebivalstva in nujnostjo sistemske ureditve odprtih delovnih prostorov v Sloveniji.

Ključne besede: coworking – sodelo, Poligon kreativni center, odprti delovni prostor, Slovenija.

DEVELOPMENT OF COWORKING IN SLOVENIA

Abstract: Presentation will be about development and application of coworking concept in Slovenia. We will start with defining the concept of coworking, analyse the current situation of arasing trend of coworking in Slovenia and then move our discussion towards the current situation of Slovenia's self-employed part of population, which are the main target group users of coworking spaces.

Keywords: coworking, Poligon Creative Centre, coworking space, Slovenia.
